

**Naša kuchyňa je priamo spätá s našim výhľadom. Malebnosti a symboly, tradično i moderno. Zážitek a pôžitok z toho nášho slovenského, a to nielen vo vašich očiach, ale aj v ústach. Spojenie, ktoré nemá hraníc, presne ako rozmanitosť lokálnych chutí...**

Our kitchen is directly connected to our view. Picturesqueness and symbols, traditionally and modernly. The experience and enjoyment of our Slovak one, not only in your eyes, but also in your mouth. A connection that has no boundaries, just like the diversity of local flavors...
